This year's Doubles Championship was drawn out due to a number of factors, so it was pleasing to be able to stage the Final just before the Christmas break.

It was a great Final, best of 3 games, with John Dunn and John Boucher overcoming a very spirited challenge from the holders, Robyn Dart and Henry Pelosi, winning 2 games to 1: 7-6, 6-7, 7-5.

Robyn and Henry found themselves 5-2 down in the first game but got themselves back in it and took it to a tie break, with the Johns winning it. From then on it was hoop-for-hoop, with Robyn and Henry winning the 2nd game to take the match to the 3rd game. It again stayed even until John D made the winning hoop to take the game 7-5.

It was nice to see a number of Members coming down to watch and enjoying the high standard of croquet on display. The Final was a credit to both teams and, of course, it was played in a great spirit.

Thank you to all players who nominated for the Championship. Your participation ensured that we had an enjoyable and challenging competition. Congratulations to John B and John D on becoming our new Champions and to Robyn and Henry for their contribution to such an entertaining match.

John Anderson took the Shield to be engraved, so we will have a suitable presentation and celebration when we resume playing.
